"Do nothing out of selfishness; rather, humbly regard others as more important than yourselves..." - Philippians 2:3

Pride and ego are hard things to control. We see how others act or dress and think we are superior to them. We idolize our own self-image. But, if we truly believe everything is a gift from God, we recognize all the people that God has put in our lives as gifts! We are grateful for how they enrich our lives. Pray every day for the people in your life.

Vocation View

Actions speak louder than words. What are your actions saying? Can your word be trusted? Turning from evil and doing good is what God wants. (*Matthew 21:28-32*)

Do not pursue spectacular deeds. What matters is the gift of your self, the degree of love that you put into each one of your actions.

SAINT MOTHER TERESA OF CALCUTTA

Thinking Faith! TF54: Sacraments for Kids Part 2

Last week Eric and Brett set the stage for Sacramental Preparations by looking at faith formation in general, the great need to understand the internal faith-narrative of parents who show up to our sacramental preparations and the centrality of whole-family and parent faith formation in preparing children for receiving the sacraments. This week we continue the discussion looking at some of the practicalities around whole family and especially parent formation and how to introduce adults to the basic stories of our faith as well as creating prayer experiences in your sessions that can be easily integrated into the lives of families at home. Helping you cast the nets without becoming castaways on this week's Thinking Faith!
